

Reutlingen, 17/12/25

**Information on the acquisition of REIFF Technische Produkte GmbH by ERIKS Deutschland GmbH**

Dear Sir or Madam,

We would like to officially inform you that our company has taken over the business activities of **REIFF Technische Produkte GmbH** with effect from 15 December 2025. The takeover also includes existing contracts and (individual) orders with you (please note: if these date from before 15 December 2025, but only if they do not constitute claims that must be registered in the insolvency table in accordance with Section 38 of the Insolvency Act (InsO) and if they have been accepted with the consent of the (provisional) insolvency administrator). The self-administration and the trustee of REIFF Technische Produkte GmbH have already agreed to the takeover.

We have summarized the changes to the master data resulting from the takeover for you in the **appendix**. We kindly ask you to make the appropriate adjustments. The following applies to you:

- Claims from deliveries that you have already **made before 15 December 2025** will continue to be paid by REIFF Technische Produkte GmbH.
- Deliveries **made by you from 15 December 2025** onwards will be made to ERIKS Deutschland GmbH. The resulting invoices will be paid by this company. Please send the relevant invoices to the billing address shown in the appendix.

We look forward to working with you as our valued supplier in the future. Our aim is to offer you the highest level of quality and reliability. We would also like to briefly introduce ERIKS to you:

ERIKS is an expert in components that make a decisive contribution to the performance of industrial products and processes. In particular, we specialize in sealing and polymer technology, industrial seals, industrial valves and control technology, industrial hoses, fluid power, drive technology, occupational safety and operational maintenance. We put our customers first, understanding their performance challenges, and using our application know-how to design, engineer and supply the solutions they need to improve performance. Further information about ERIKS Germany and ERIKS International can be found at [www.eriks.de](http://www.eriks.de).

This acquisition brings to an end a challenging period of uncertainty for all involved. Integration into the ERIKS Group will see immediate measures taken to stabilize and further develop REIFF's existing business activities in order to ensure and strengthen successful cooperation with our partners in the longterm.

As one of our valued suppliers, we would like to emphasize:

- **Continuity of the business relationship:** ERIKS Germany will continue the existing supplier relationships and values the long-standing partnership.
- **Strengthening of market presence:** Integration into the ERIKS Group will benefit all parties involved with additional resources and a strengthened market presence.
- **Reliable partner:** ERIKS is an established industrial service provider with over 80 years of experience and offers financial stability and long-term prospects.
- **Smooth transition:** We are working hard to make the transition as seamless as possible in order to minimize disruptions to the supply chain.

Due to the takeover of business activities, we kindly request that any outstanding orders be transferred to the existing supplier account of ERIKS Deutschland GmbH or that a new account be created. As stated above, ERIKS Deutschland GmbH will assume payment obligations for outstanding orders. We therefore kindly request that you delete any existing blocking notes, advance payment obligations or other previously existing restrictions. By making future deliveries, you confirm your agreement to the transfer of the previous contractual relationships with REIFF Technische Produkte GmbH to ERIKS Deutschland GmbH.

We thank you for your trust and look forward to growing together with you.

If you have any questions, please contact your current contact person in Reutlingen.

Kind regards

*H. Mischke*

Hans-Peter Mischke

Managing Director
